PREFACE

This compilation of former Philippine President Rodrigo Roa Duterte also popularly known as “PRRD” or “Digong” Bibliography entails entries which cover his presidency from the year 2016 - 2022. With the voluminous number of bibliographic entries of PRRD, the compiler opted to prepare this Bibliography into two parts of a series. Thus, this served as the Part 1 of PRRD Bibliography of NLP.

With such importance or impact of PRRD in once daily lives, the NLP promotes to have vast awareness about him and comes up with this Bibliography as a guide to NLP clients and researchers by providing the right information that would help them explore about PRRD presidency and what PRRD has done and accomplished during his term.

For one, whether an NLP client/s or researchers are writing an article, a book, a research paper, or a thesis, this PRRD NLP Bibliography can be an essential tool for them in finding the right materials in communicating crucial information to their readers. By providing full details of every source they used, they will enable their readers to find those books and read them, if they so choose.

This Special Bibliography is a compilation made possible through the encouragement, guidance and support of several individuals who in one way or another extended or contributed their valuable assistance from the conceptualization to completion of this compilation. His deep and sincere thanks to:

Director Cesar Gilbert Q. Adriano, the Director of the National Library of the Philippines (NLP) for his untiring and 100% support;

Ms. Jennifer B. Dimasaca, Chief of the Bibliographic Services Division (BSD) for her guidance, for her patience in mentoring and coaching as well as for her brilliant insights and sagacious comments and suggestions to contribute for a better outcome of this project. For motivating me to push through this undertaking and who had provided her full support and understanding;

The reputable and well-known Universities of the country which has PRRD resources available in their online public access catalog (OPAC) such as University of Santo Tomas, University of the Philippines and De La Salle University of which we gathered and included their PRRD 2016-2022 collections in this compilation;

The NLP and the BSD family for this great opportunity and for the moral support in accomplishing this endeavor;

And above all, the Almighty God for His guidance in making this work possible.

NLP SPECIAL BIBLIOGRAPHY on PRRD 2023
